The Thirteenth International Conference on Advances in Databases, Knowledge, and Data Applications DBKDA 2021
May 30, 2021 to June 03, 2021 - Valencia, Spain

Tutorial: "Bashing" the Killer from the Command Line

Organizer: Andreas Schmidt, Lisa Ehrlinger, Fritz Laux

Exercise III

From solving Exercises I and II, you thought you have found the murderer. Since every good detective story has a surprising twist, a new witness comes forward and speaks up right before Jeremy should be arrested. Listen to Jeremy's friend Maria Johnson (interview-997823) and consider what the new information changes in your result.
